### To whom it may concern,

I am Director of a Real Estate Company that specialises in Property Management and wish to take this opportunity to express my gratitude for the services provided by Linda Slob of Sherwood Strata Management. We find Linda to be efficient and professional in her dealings with both ourselves, the owners and tenants of the properties that we manage. Linda is very approachable, pleasant to deal with and has always demonstrated a comprehensive knowledge of the status of the complexes that she manages within which we have properties.

I have on several occasions recommended Linda and Sherwood Strata Management to Landlords that are dissatisfied with the level of service that they have been receiving from other strata companies. We are reliant upon our Strata Managers for the professional undertaking of all matters relating to the common areas within a complex and find it a comfort to know that whenever we need to contact Linda about a matter relating to the complex that she manages this with apparent ease and professionalism.

I would have no hesitation in recommend Linda of Sherwood as a Strata Manager for your complex.

Kind regards

Sinead Hamilton

I have known Linda of Sherwood Strata Management for nearly 10 years and in that time I have had the pleasure of dealing with Linda on numerous occasions.

Linda's level of knowledge in all matters relating to strata management is extremely high and I have always found her to be polite and professional in her approach.

I would definitely recommend her to any Strata Complex wishing to engage a knowledgeable and professional strata manager.
